## SYHA Registration Instructions

### REGISTRATION PROCEDURES for 2009-10

USA Hockey will require that all youth hockey associations convert to online registration within a two-year period. SYHA will require all members to register for USA Hockey online. Please go to <http://www.usahockeyregistration.com/> and follow the directions to register your player(s), **AS SOON AS POSSIBLE**. For those who do not have access to a home or work computer, SYHA can do this for you (see fee chart below).

You will see there is a \$40 fee per player for the new online USA Hockey registration. This is not a new fee. The way the process worked in previous seasons is the USA Hockey registration fee was part of SYHA's cash fee. Now, when you register online, the fee will be deducted from your cash fees for the 2009-10 season. The online registration includes the USA Hockey waiver that you used to have to sign. After completing the online registration process, please print the confirmation and submit it with your SYHA registration forms.

## Player sportsmanship agreement:

I, as a skater of the Stoughton Youth Hockey Association (SYHA), do acknowledge receipt of and agree to adhere to the following rules throughout the calendar year:

1. I agree to display conduct both on and off the ice that reflects only the highest code of conduct, remembering at all times that my conduct is a direct reflection upon my parents, friends, and SYHA program which I represent.
2. I agree to use only language that is acceptable social behavior.
3. I agree to refrain from use of alcohol, tobacco, or illegal drugs, and not to associate with individuals who do one or more of these substances.
4. I agree to listen to directions of my coaches and to show respect towards coaches at all times.
5. I understand that violation of any of these rules can lead to reduced playing time or ultimate dismissal from the program.

## Player sportsmanship agreement violations and consequences:

**First offense:** removal from game or practice and suspension from playing in the next game.

**Second offense:** removal from game or practice and suspension from playing in the next three games.

**Third offense:** removal from game or practice and suspension from the club for the remainder of the season with forfeiture of fees and expenses. In spite of the progressive disciplinary procedure above, it is understood and agreed that any single violation deemed egregious enough by the Board of Directors may result in reduced playing time or ultimate dismissal from the program.

## Parent sportsmanship agreement and consequences:

As a parent of the above skater, I agree with the above rules and violation consequences. I also agree that if I have a problem with a coach or club member I will bring the problem to the attention of the team representative or age level director in a timely manner, and will attempt in good faith to resolve the problem. I agree that one of the major goals of the SYHA is to promote sportsmanship, and that poor sportsmanship will not be tolerated. I will refrain from any negative comments or gestures or inappropriate language that may reflect on my child or the program. I will abide by these sportsmanship rules and encourage my child to do the same. I understand that if I fail to follow these rules, I will be asked to leave the premises and/or subject myself to the consequences listed above.

## Release of claims by participants for personal injury and property damage:

In consideration of granting my child permission to participate in SYHA for the 2009-10 season, the undersigned parent or guardian of said child hereby consents to such participation and specifically agrees to the following terms:

I hereby release and discharge SYHA, City of Stoughton, Dane County, Wisconsin, its agents, coaches, and officers from all claims, demands, actions, judgments, and executions which the undersigned ever had, or has now, or may have, or claim to have, against SYHA, its successors or assigns, for all personal injuries and injuries to property, known or unknown, caused by or arising out of participation by my said child in the playing of hockey during the 2009-10 season.

I understand and am aware of the fact that by being a participant in the 2009-10 season, I assume certain risks of injury to my child. I am willing to assume the risks of such injury including, but not limited to, any injury that may be caused by other participants or spectators. I understand and appreciate that the risk from hockey is significant, including the potential for permanent paralysis and death, and while particular rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist.

By my child's participating, I knowingly assume all such risks, both known and unknown. Further, I have read, understand, and agree to the Waiver of Liability, Release and Indemnity Agreement as printed on the back of the USA Hockey Individual Membership Registration Form, and confirm that the absence of my signature on that form is due only to administrative facilitation of my child's registration.

## Signatures and agreements:

I understand and agree to pay these fees, both cash and fundraising, on time as required in club By-Laws and Guidelines. I also agree to follow the club By-Laws and Guidelines regarding parent and skater conduct, including the skater and parent sportsmanship agreements above. I have read this release and agreement, understand its terms, and execute it voluntarily with full knowledge of its significance. In witness thereof, I have executed this release and agreement.

## Parents Code of Ethics

I hereby pledge to provide positive support, care, and encouragement for my child participating in Stoughton Youth Hockey Association (SYHA) by following this Parent Code of Ethics:

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other SYHA event.
- I will place the emotional and physical well being of my child ahead of my personal desire to win.
- I will insist that my child play in a safe and healthy environment.
- I will require that my child's coach be trained in the responsibilities of being a youth sports coach and that the coach upholds similar codes of ethics.
- I will support coaches and officials working with my child in order to encourage a positive and enjoyable experience for all.
- I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol; I will refrain from their use at youth sport events.
- I will remember that the game is for youths – not adults.
- I will do the very best to make youth sports fun for my child.
- I will ask my child to treat other players, coaches, fans, and officials with respect regardless of race, sex, creed, or ability.
- I will help my child enjoy the youth sports experience by doing whatever I can, such as being a respectful fan, assisting with coaching, or providing transportation.
